Introduction to the Summer SEN HAF Programme

These activities are aimed at pupils at Cricket Green, our Alternative Resource Provisions in our mainstream schools and other pupils with similar needs referred by their school.

There are activities solely for the children and young people, and family activities where the SEN pupils, siblings and parents are all welcome to participate.

There are SEN holiday camps, sports, watersports, outdoor adventure, theatre, gallery and museum trips, picnics with outdoor theatre to choose from.

Find an activity your child will love and have a great holiday!
