

Holiday Activities and Food (HAF).

Your brochure for Merton's
Christmas HAF Programme. There's
lots to do, have a great holiday!

Introduction to the Christmas HAF Programme

The Holiday Activities and Food Programme is free for pupils living or schooling in Merton who qualify for benefits-related free school meals and a few other priority groups.

A record number of children have taken part this year, which is wonderful! The remaining budget is constrained and we have a more modest programme of activities this Christmas. Eligible children will still have two credits on their HAF vouchers. Merton Council has committed to funding Half term HAF programmes in February and May.

Find an activity your child will love and have a great holiday!

Inclusion

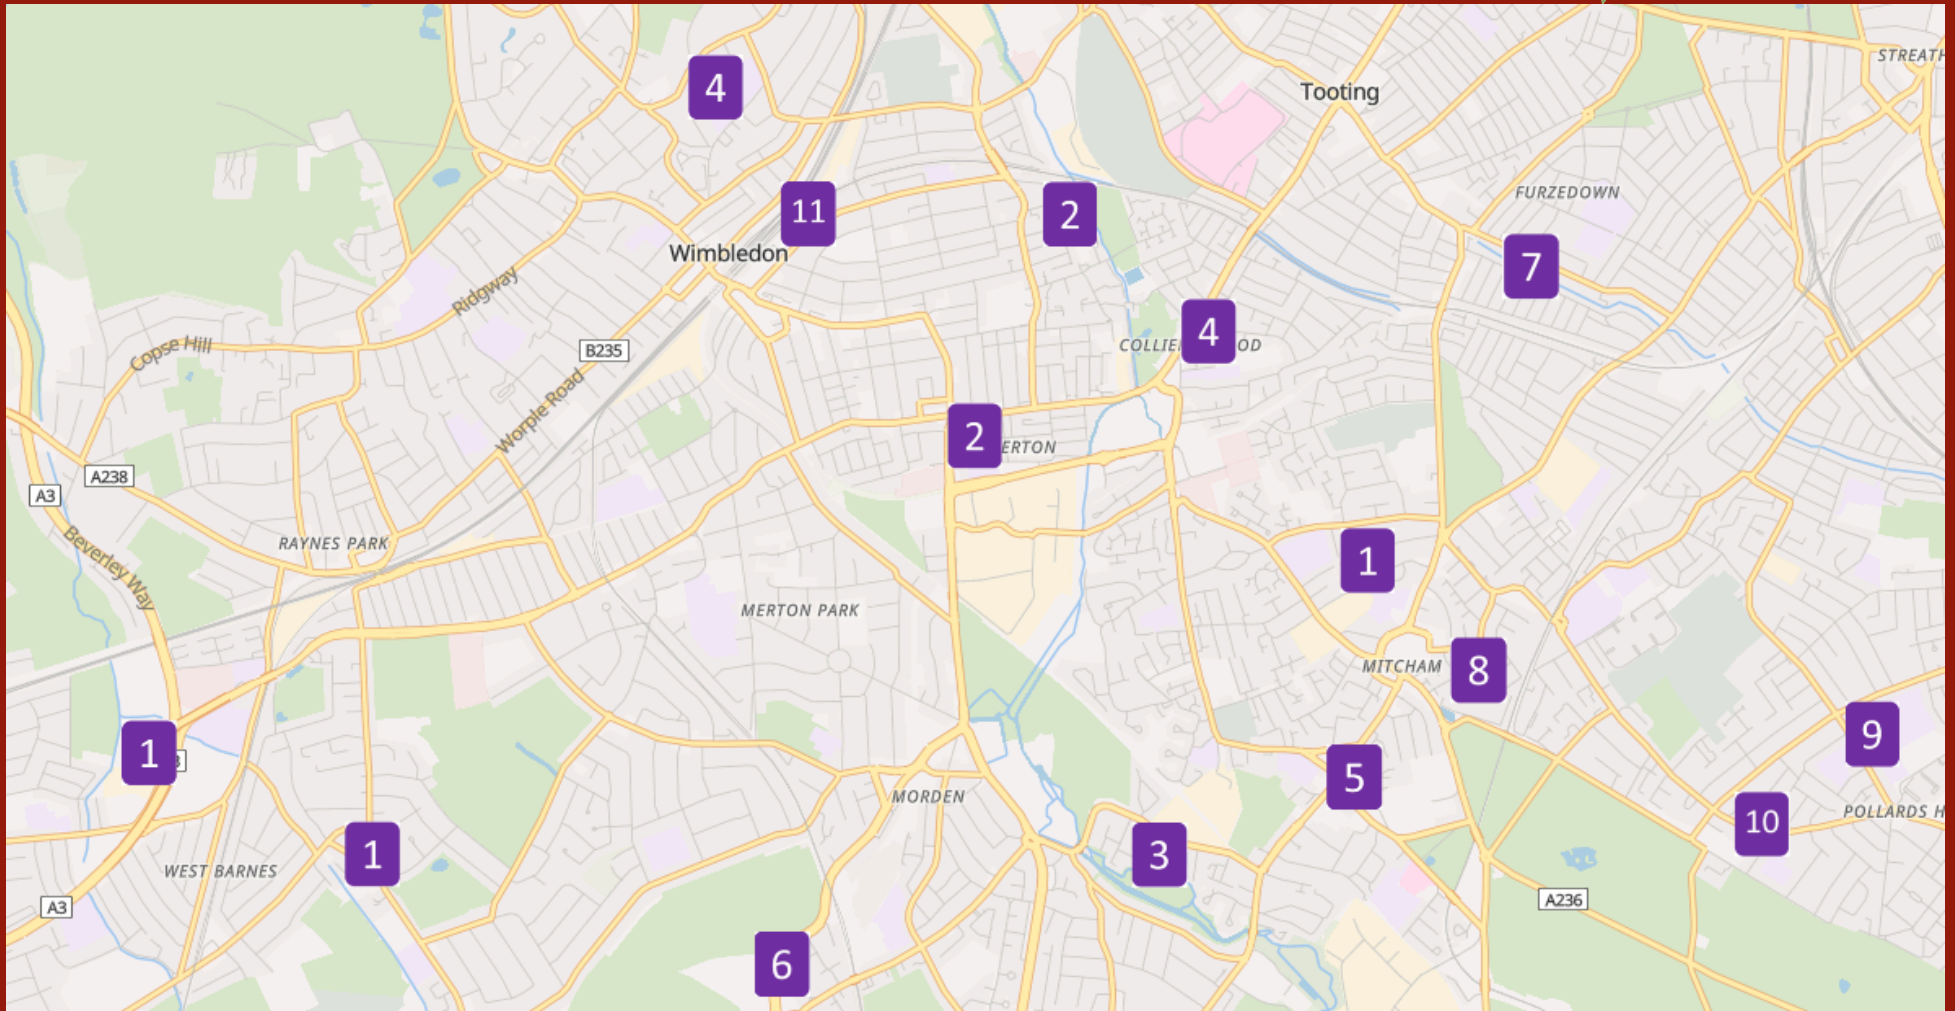

Many children in mainstream schools with SEN can enjoy a good experience of HAF, and some providers have extra staff to support them. Do talk with providers about your child's need, to help them plan.

This Christmas, we're delighted to offer another targeted SEN HAF programme aimed at pupils who would need a 1:3 or 1:4 staffing ratio. A separate SEN brochure will cover their activities.

The map shows you where our projects are. The numbers correspond to activities listed on each page.
