* Collections will change over the Christmas and New Year period and may take place up to three days later than usual. This calendar shows your revised collection days where appropriate.

It really helps if you...

Flatten cardboard boxes before putting them in the clear recycling bag

Empty and rinse all containers before putting them in the blue recycling bag

Remove film lids from plastic pots, tubs and trays (put the film lids in your red rubbish bag)

Only place items that cannot be recycled in your **red rubbish bag** - no food waste please

Household batteries are collected every week. Leave them on top of your recycling in an untied bag. Visit: slwp.org.uk/recyclables/household-batteries.uk for more information.
