20th: food bin; blue lidded recycling bin (paper and card); black rubbish bin

27th: food bin; green recycling box (plastics, glass, cans and cartons)

Note 1: Collections will change over the Christmas and New Year period and may take place up to three days later than usual. This calendar shows your revised collection days where appropriate.

Note 2: Real Christmas trees collections start on 6th January. Put your tree out from Monday 6th January and it will be collected as soon as possible.

It really helps if you...

Flatten cardboard boxes before putting them in the blue lidded paper and card bin

Empty and rinse all containers before putting them in the green plastic, glass, cans and cartons box

Remove film lids from plastic pots, tubs and trays (put the film lids in your black rubbish bin)

Only place items that cannot be recycled in your **black rubbish bin** - no food waste please

On collection day, place your bins at the **front edge of your property**, close to the pavement but not on it

Household batteries are collected every week.

Leave them on top of your recycling in an untied bag. Visit: slwp.org.uk/recyclables/household-batteries for more information.

For a complete list of what can and can't be recycled, please visit: merton.gov.uk/recycling
