Dear All

I m ,live at Mitcham

I object the current planning MM62 for the following reason

-500/650 home ,10 store height are inappropriate for the location for every aspect.
The previous planning application up to 9 storey has received from the local resident and from surround area hundred of objection including a street audit and over 600 signature in petition plus various email.

I also like to remind that even our Councillors ,Green Party object at so huge and dense plan.

I would like as a Merton Council to rejected the modification

Kind Regards
